Judges

The Court orders that the motion for immediate consideration is GRANTED.

In lieu of granting leave to appeal, pursuant to MCR 7.205(D)(2), the March 14, 2011, order of the Wayne County Circuit Court, which denied defense counsel's motion to withdraw, is REVERSED. As noted in the prosecution's answer, which concurred in the relief sought by the application, the request made by defense counsel does not appear as a pretext for delay, no prior adjournments had been requested by defendant, there is no suggestion by either party of prejudice, and an adjournment to allow substitution of counsel under the circumstances is not prohibited under the circuit court guidelines set forth in Administrative Order 2003-7.

The motion to waive the stay requirements is GRANTED.

The motion for stay is denied; however, the trial court shall allow a reasonable continuance to allow new counsel to prepare for trial.
